LEGEND

This chart identifies key officials involved in various foreign affairs organizations of the People's Republic of China. Excluded are the foreign-economic institutions, the tourist-orientated China Travel Service, provincial-level foreign affairs bureaus, bilateral friendship associations and other people-to-people organizations, all of which participate to various degrees in China's foreign affairs. Names in red identify members or alternate members of the Politburo, and names in green identify members or alternate members of the 10th Chinese Communist Party Central Committee. An "(F)" after a name indicates that the official is female. The dotted lines linking organizations show some coordinating or directional responsibilities.
